MoU with Proinversion

MoU with Ministry of Transport for the development of railway in Peru

Double Taxation Agreement & CPTPP

On March 20, 2025, DTA was reached - the result of nearly two decades of negotiations

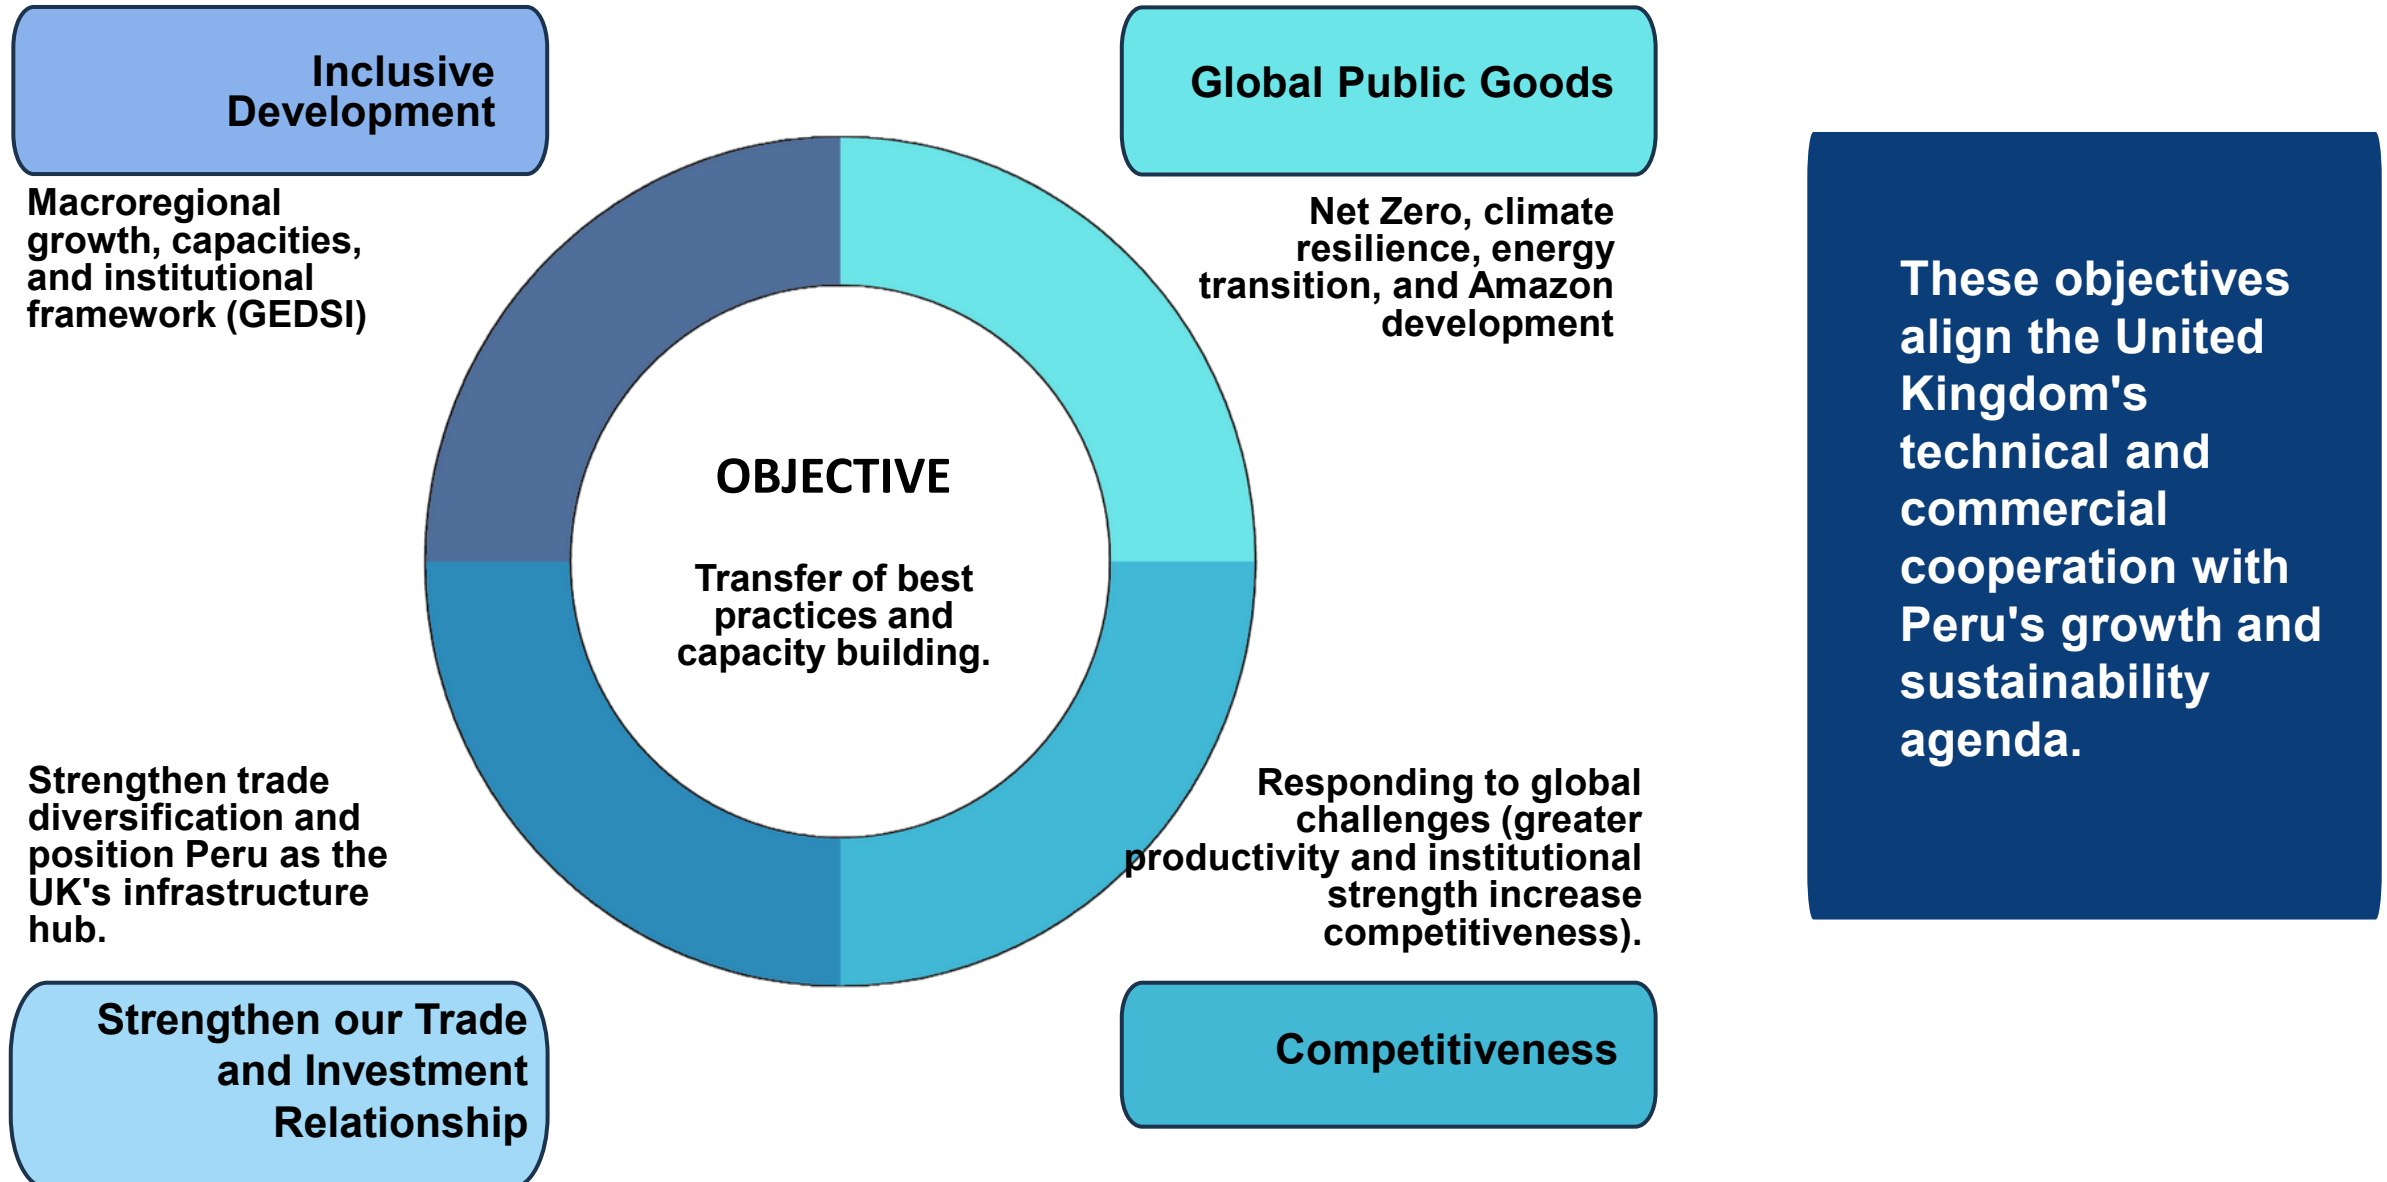

- Eliminate double taxation on income, wealth, and capital gains
- Prevent tax evasion and strengthen institutions
- Promote a favorable environment for investment and bilateral trade

July 2023, Peru was the sixth country to ratify the United Kingdom's accession to the Comprehensive and Progressive Agreement for Trans-Pacific Partnership (CPTPP).

Why

UK - Peru: Strategic partners

What's next

What's next

Continue supporting UK investment

- Anglo American + Actis: more than £5 billion in investment

Hybrid model: G2Gs & PPPs

- Lima-Ica railway
- Lines 3 and 4

Territorial development

- Mining as a catalyser of territorial development

Hydrogen

- More than \$12 billion in investment ready to enter Arequipa.
- Support for the hydrogen law.

UK Export Finance

- £5.4 billion
- Blended Finance

Thank you
